

A large number of topic wise tests help students evaluate their learning and performance across a given range of topics.

Our study material and mock test papers are prepared after a careful and in-depth analyses of the actual SSC CGL Exam papers and hence reflect the level of difficulty which is consistent with that of the actual test.

### Our Course Structure

The course structure comprises

**1. Basic Training:** This module helps you develop and improve basic skills and knowledge in all the areas that are tested in the SSC CGL Examination. Fundamental concepts are taught in detail for each topic. This is followed by practice exercises to integrate these fundamental concepts deeply and help you approach and tackle difficult questions quickly

**2. Area-wise Testing:** This module tests your skills through individual test papers (Paper Based & Online) in each area. You will be able to identify sections and areas in which you are weak and receive additional guidance for improvement accordingly

**3. Comprehensive Tests (Online & Paper Based):** These tests give, both an overall idea of the level you are required to achieve and ample practice to help you achieve it. These mock tests replicate the actual exam in every conceivable way. The mock tests given by **T.I.M.E.** simulate the actual exam. These tests help you improve your time management ability.

**4. All-India Mock Tests: All-India Mock SSC CGL Tests are conducted replicating the** format and environment of the SSC exam. These tests help you compare your performance with that of the other students and make you understand where you stand in a competitive environment. The Question wise and Section wise analyses will help you review your performance.

### Customised student home page

A customised home page is provided for each student, through which student can take online practice tests. A host of other features like tips on Grammar, Idioms, previous papers with solutions, monthly updates on General Awareness, etc., are also made available on the student home page.
